Independent Auditor's Report

To The Members of Finova Capital Private Limited

Report On the Financial Statements

We have audited the accompanying financial statements of Finova Capital Private Limited which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements and for Internal Financial Controls over Financial Reporting

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Company's management is responsible for establishing and maintaining internal financial controls based on the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and the Guidance Note on Audit of Internal Financial Controls over Financial Reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement and whether adequate internal financial

controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements and adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exits, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of 'the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal financial controls system over financial reporting and the standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to futureperiods are subject to the risk that the internal financial

Control over financial reporting may become inadequatebecause of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016 and its profit, and its cash flows for the year ended on that date.

Report On Other Legal and Regulatory Requirements.

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

A. SIGNIFICANT ACCOUNTING POLICIES:

1. CORPORATE INFORMATION.

Finova Capital Private Limited is a private company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company provides finance and other loans. The Company is registered with the Reserve Bank of India (RBI), Ministry of Corporate Affairs. The registration details are as follows:

RBI B-10.00236

Corporate Identification No. (CIN) U65993RJ2015PTC048340

2. Basis of preparation of Financial Statement.

The financial statements have been prepared in conformity with generally accepted accounting principles to comply in all material respects with the notified Accounting Standards ('AS') under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and the guidelines issued by the Reserve Bank of India ('RBI') as applicable to a Non-Banking Finance Company ('NBFC'). The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year except for the change in accounting policies explained below. The complete financial statements have been prepared along with all disclosures. The previous year's figures have been regrouped and rearranged as per the requirement. All assets and liabilities have been classified as current or non-current as per the criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of the products and services and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of its assets and liabilities

3. Borrowing Cost

Borrowing costs include interest, fees and other charges incurred in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition/construction of qualifying assets are capitalized as part of the cost of such asset up to the date when the asset is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

4. Fixed Assets

Fixed assets are stated at their original cost less; accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the assets to their location and working condition and includes all expenses incurred up to the date of commercial utilization.

Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gain or losses arising from de-recognition of fixed assets are measured as the difference between net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

5. Depreciation

Depreciation on fixed assets is provided to the extent of Depreciable amount on SLM method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act. 2013. Salvage Value of the assets has been taken @5% of Original Cost as prescribed

11. Taxes on Income

The accounting is done in accordance with AS-22 "Accounting for taxes on Income". If Company is liable to pay MAT @ 18.5% then Minimum Alternate Tax paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act,1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period. The company is incorporated in F.Y 2015-16 so it has not utilized MAT Credit Entitlement relating to previous years.

According to AS-22. Income-Tax expense for the year comprises of current tax and deferred tax. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year. In View of the Accounting Standard 22 issued by Institute of Chartered Accountants of India. Deferred Tax Liability has been recognized during the year. The deferred tax results from "timing difference" between taxable and accounting income is accounted for using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The deferred tax liability is recognized and carried.

12. Impairment of Assets

An Asset is considered as impaired in accordance with AS 28 on impairment of assets when at Balance Sheet date there are indication of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the asset's net selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit & Loss.

13. Provisions, Contingent Liabilities And Contingent Assets

Provisions involving a substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the accounts by way of notes. Contingent assets are neither recognized nor disclosed in the financial statements.

14. Segment Reporting

The company is a one segment Company in the business of NBFC.
