2 The above results have been approved by the Board of Directors at their meeting held on December 10, 2020, in accordance with the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The above results for the half year ended September 30, 2020 have been reviewed by the statutory Auditors of the Company. 3 The Company has adopted Indian Accounting Standards (Ind AS) notified under section 133 of the companies act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 from April 1, 2020 and effective date of the transition is April 1, 2019. Such transition has been carried out from the erstwhile accounting standards under the Act, read with relevant rules issued there under and guidelines issued by the Reserve bank of India ("RBI") (collectively referred as "the previous GAAP"). Accordingly the impact of transition has been recorded in the opening reserves as on April 1, 2019.

The corresponding period figures presented in these results have been prepared and presented solely based on the information compiled by the management under the previous GAAP duly restated to Ind As. These comparative results prepared under previous GAAP and Ind AS adjustments have not been audited or reviewed by the statutory auditors. However the management has exercised necessary due diligence to ensure that the financial results provide a true and fair view of the Company's affairs.

These financial results have been drawn on the basis of Ind AS that are applicable to the Company as at September 30, 2020 based on MCA notification G.S.R.111 (E) and G.S.R. 365 (E) dated February 16, 2015 and March 31, 2016 respectively. There is a possibility that these financial results for the current and previous period may require adjustments due to change in the financial reporting requirements arising from new standards, modification to the existing standards, guidelines issued by Ministry of Corporate Affairs and RBI or changes in the use of one or more optional exemptions from full retrospective application of certain Ind AS permitted under Ind AS – 101.

4 The Company operates in a single reportable segment i.e. lending to retail customers having similar risks and returns for the purpose of Ind AS 108 on "Operating Segments". The Company operates in a single geographic segment i.e. domestic.

6 The company has availed the exemption provided by Securities and Exchange board of India (SEBI) vide circular no. CIR/IMD/DFI/69/2016 in respect of disclosure requirements pertaining to disclosure of financial results and statement of Assets and Liabilities for the year ended and as at March 31, 2020. Accordingly, the Financial Results and the Statement of Assets & Liabilities for the year ended and as at March 31, 2020 is not disclosed.

7 Effective April 1, 2019 the Company has adopted Ind AS 116- Lease and applied it to applicable lease contracts existing as on April 1, 2019 using the modified retrospective approach. Based on the same and as permitted under the specific transitional provision in the standard, the Company is not required to restate the comparative figures.

8 In terms of Requirement as per RBI notification no. RBI/2019-20/170 DOR(NBFC).CC.PD.NO.109/22.10.106/2019-20 dated March 13, 2020 on implementation of Indian Accounting standards, Non-banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset classification and provisioning (IRACP) norms (including provision on Standard Asset). The impairment allowances under Ind AS 109 made by Company exceeds the total Provision required under IRACP (including Standard Asset provisioning), as at September 30, 2020 and accordingly no amount is required to be transferred to impairment reserve.

- 9 In accordance with Reserve Bank of India ("RBI") guidelines relating to 'COVID-19- Regulatory Package' dated March 27,2020 and subsequent guidelines on EMI Moratorium dated April 17,2020 and May 23,2020 ("RBI Regulatory Package"), the company has offered moratorium on the payment of instalments falling due between March 1,2020 to August 31,2020("moratorium period") to all eligible borrowers. In accordance with the RBI Guidelines, the moratorium period, wherever granted, is excluded from no. of days past dues for the purpose of asset classification. The Company holds provision as at September 30,2020 against the potential impact of COVID-9 based on the information available up to a point in time.

- 10 Consequent to the outbreak of COVID-19 pandemic, the Indian Government had announced a lockdown in March 2020. Subsequently, the lockdown has been lifted by the government for certain activities in a phased manner outside specific containment zones. While there have been some improvements in economic activity during the current half year, the continued slowdown has led to a decrease in loan origination and impacted efficiency in collection efforts during the half year. Further in accordance with the Reserve Bank of India guidelines relating to COVID-19 Regulatory package dated March 27,2020, April 17, 2020 and May 23, 2020 the Company has offered moratorium on the payment of all instalments and/or interest as applicable, falling due between March 1,2020 to August 31,2020 to all the eligible borrowers.

Further, the Hon'ble Supreme Court, in a public interest litigation, vide an interim order dated September 3, 2020 ('Interim Order') has directed that accounts classified which were not declared NPA till August 31,2020 shall not be declared as NPA till further orders. Basis the said Interim order, the Company has not declared any account as NPA as per RBI Norms after August 31,2020 which was not NPA till August 31,2020. However, such loans have been classified as stage 3 and provided accordingly.

Estimates and associated assumptions applied in preparing these financial results, especially for determining the impairment allowance for the Company's financial assets (Loans), are based on historical experience and other emerging/forward looking factors on account of the pandemic. The Company believes that the factors considered are reasonable under the current circumstances. The company has used estimation of potential stress on probability of default and exposure at default due to Covid-19 situation in developing the estimates and assumptions to assess the impairment loss allowance on loans. Given the dynamic nature of the pandemic situation, these estimates are subjects to uncertainty and may be affected by severity and duration of the pandemic. In the event, the impacts are more severe or prolonged than anticipated, this will have a corresponding impact on the carrying value of financial value of the financial assets, the financial position and performance of the Company.

The Company holds impairment allowance of Rs. 1325.87 lacs as at September 30, 2020 including the potential impact of COVID-19 based on the information available at this point in time.

- 11 The Government of India, Ministry of Finance, vide its notification dated October 23,2020 had announced COVID-19 Relief Scheme for grant of ex-gratia payment of difference between compound interest & simple interest for six months to borrowers in specified loan accounts ("the Scheme"), as per the eligibility criteria and other aspects specified therein and irrespective of whether RBI moratorium was availed or not. The Company has worked upon the operational aspects of the Scheme.
- 12 The figures for the previous periods have been regrouped/ rearranged wherever necessary to conform to current period presentation.
