6 Institutional set -up for liquidity risk mangement

The Board has the overall responsibility for management of liquidity risk. The Board decides the strategy, policies and procedures to manage liquidity risk in accordance with the liquidity risk tolerance/limits approved by it. The Risk Management Committee (RMC), which is a committee of the Board, is responsible for evaluating the overall risks faced by AFL including liquidity risk. The meetings of RMC are held at quarterly intervals. The Asset Liability Management Committee (ALCO) is responsible for ensuring adherence to the risk tolerance/limits set by the Board as well as implementing the liquidity risk management strategy. The role of the ALCO with respect to liquidity risk includes, inter alia, decision on desired maturity profile and mix of incremental assets and liabilities, responsibilities and controls for managing liquidity risk, and overseeing the liquidity positions at an entity level. The minutes of ALCO meetings are placed before the RMC during its quarterly meetings for its noting.
